For School Accountability Growth

All schools in North Carolina

The search returned 2598 schools

The demographic percentages reported in the table below are based only on students who were assessed in the selected assessment during the 2021-22 school year. As a result, these values may differ from other information distributed or published by DPI.

Average Growth Index (AGI) = 0 : On average, the students in this school made growth as expected.

Average Growth Index (AGI) > 0 : A larger AGI provides more evidence that, on average, students in this school made more growth than expected.

Average Growth Index (AGI) < 0 : The further the AGI is below 0, the more evidence there is that, on average, students in this school made less growth than expected.
