### Comparison Schools

For School Accountability Growth

All schools in North Carolina

*The search returned 2598 schools*

The demographic percentages reported in the table below are based only on students who were assessed in the selected assessment during the 2021-22 school year. As a result, these values may differ from other information distributed or published by DPI.

Average Growth Index (AGI) = 0 : On average, the students in this school made growth as expected.

Average Growth Index (AGI) > 0 : A larger AGI provides more evidence that, on average, students in this school made more growth than expected.

Average Growth Index (AGI) < 0 : The further the AGI is below 0, the more evidence there is that, on average, students in this school made less growth than expected.
